we were having a ~~friendly~~ treaty meeting with the superintendent and that it was a set up. RCM

RCM I don't recall any other shots being fired except the two. I believe we were meant to be killed.

Earlier that night there had been firing around the house. The night before they had ^{RCM} there had been

[redacted] Tuesday night, 5/14/76, I went to a community meeting in Wagner, SD, with RUSSELL MEANS. Later we were invited to a private meeting at [redacted] Wagner, SD, to discuss the legal aspects of the second takeover of the pork plant. The meeting was to take place at 10:30 p.m. at [redacted] which is across the street from [redacted].

[redacted] When we arrived we met some people in cars, but we did not know these people. These people said the meeting would be at the [redacted] residence which is across the street from the [redacted] residence and next to the [redacted] residence.

[redacted] We were invited into the [redacted] residence. I do not know what [redacted] owned the house. The time was in between 11 and 12 p.m. Most of the dealing was with Means [redacted].

[redacted] We first sat in the kitchen area. There was beer in the area. We did notice it was 3.2 beer [redacted] They started to discuss with MEANS how he (he believes it [redacted]).

(2)

One of the individuals there was asking Means' advice. Suddenly [redacted] showed up. He and Means were disturbed as they felt they could not talk with [redacted] present. [redacted] had attempted to kill [redacted] Means and one of Means' [redacted] previously. [redacted] left and the discussion continued.

[redacted] and [redacted] were there with other individuals. The discussion continued with [redacted] and a guy named [redacted] doing a lot of talking. I did not previously know [redacted] but I know them now.

I saw the Sioux City, Iowa, newspaper, last Thursday. The newspaper showed four individuals on the front page. I saw the four pictures and the

[redacted] was one of the men in those four pictures. The story in the newspaper ^{was} ~~with~~ with regards to [redacted]

I was there Tuesday night to trying to put together a package on the Sundance and the treaty convention.

There was a smoky atmosphere in the kitchen and there was arguing so I left to go outside to get some fresh air. I was outside for ten or fifteen minutes and then I heard a shot coming from inside the house.

b6

(7)

X [redacted] The shot sounded like a shotgun. I ran back inside as Means was still inside. There was still confusion inside. I then went outside again. Means stayed in the house. I went and sat in [redacted] car which was parked in front of the [redacted] residence. There were [redacted] outside and they came over and jumped into the [redacted]. I do not know [redacted] last names but their first names were [redacted] and [redacted].

b6
b7C

[redacted] I then noticed two people marching Means out of the house at gunpoint. One had a rifle and one had a handgun. [redacted] was closest to Means and he had the handgun. The man with the rifle was [redacted]. As they came out of the door they took a right and [redacted] saw us in the car and [redacted] at us with the rifle. I believe there were two shots. I was [redacted] on the drivers side of the car. The [redacted] but I couldn't believe it. The [redacted] and I believe they took off. I then got out of the car. [redacted] then stuck a handgun into my [redacted]. I saw [redacted] with a rifle marching Means [redacted] across the street to the front of the [redacted].

4 [redacted] residence. I heard [redacted] say to Means as [redacted] Means he was saying "you son of a bitch I ought to shoot you. I ought to kill you." [redacted] continued to hold the handgun [redacted] [redacted] said "hold [redacted] there. Freeze

[redacted] Means was on the ground [redacted] said "come out here." [redacted] was backing up and I followed him.

X [redacted] said "lay down" and I layed down on the road. The [redacted] was cocked. It was a long barrel .22 pistol. I was down on all fours [redacted] started backing up to Means where

[redacted] was. They were giving Means all kinds of hell. [redacted] came back to me and said "get the keys out of the car." I got the keys and opened the back of the vehicle which was a station wagon. [redacted] told me to empty the wagon. I grabbed everything [redacted] the rear of the wagon and threw them onto the street.

X [redacted] then made me lay down in the [redacted] told me to "spread eagle you son of a bitch or I'll kill you." [redacted]

+ [redacted] and I heard Means moan. I heard [redacted] say [redacted] "did you kill him, did you kill him, did you kill him?" [redacted] then ran over to Means and [redacted] and said "I ought to shot you, you son of a bitch." I said "hey man, what's going on. We're not even from here?" I had my hand up, [redacted] had the rifle pointed [redacted] [redacted] said "put your hands down. I ought to kill you you son of a bitch." [redacted] [redacted] then moved back and said again "I ought to kill you, you son of a bitch." I then heard a shot and [redacted] [redacted] The rifle was a [redacted] but I'm not sure whether it was a pump or lever action. [redacted] I was still awake I heard them out there. I knew [redacted] and didn't want to move while they were there. I then heard [redacted] them drive away. At this point I heard Means yelling [redacted] "I got up and ran and beat on the window where [redacted] was sleeping. [redacted] wife said go to the back door. I went to the door and they let me in and I said "Russ [redacted] [redacted] I would like to backtrack.

After [redacted] I heard one of them -
[redacted] or [redacted] say "let's go. let's get
out of here."

[redacted] first

went to the Wagner hospital then to the
Sacred Heart Hospital in Yankton, S.D.

[redacted] I am sure [redacted] [redacted] and
I would be willing to testify to that in
x [redacted] court. [redacted]

We were introduced to the people at
the get together that night, previous to the
shooting but I don't recall the other
names [redacted]

[redacted] I would like to back track again.
As they marched means out of the house
there was a third man, whom I can not
identify, standing by the corner of the
[redacted] house. The man had a shotgun and
stood there as though he was a cover [redacted]
